Overview Release Updates

RENUGO

Permissions	Item Description	Working Video
RG Admins	Add to both Commission Reports: Business Unit, Seller Email, Seller Company Name, Buyer Email, Buyer Company	Link
RG Admins	Add a "Export Data" on the Bid History Screen for Sold and Unsold Listing Screens	Link
RG Admins	Show "last login" and "created date" on each 3pS Account. This will help me verify when they login successfully.	Link
RG Admins	3P Sellers "Export 3P Seller Details" Include City, State, Zip, Phone Number, IFS#,	Link
RG Admins	Ability to open up the buyer info on the "views" button to drill into that buyers info (Admins only)	Link
RG Admins	Add a note section to 3P seller account page. So we can keep notes like last % charged etc....	Link
RG Admins	Active Bidder Report. Include the RG Rep listing the item, the associated seller company name, % commission the lot was assigned, reserve price, buynow, winning price, qty.	Link
RG Admins	Add Business Unit to Admin Reports Product: Open, Closed, Sold & Ending Soon Buy: Sold out in BIN & Sold out in Bidding	Link
RG Admins	Ended & Relisted Report. Create a new report for "Ended and Relisted" items. It needs to include everything on "Closed Report" from PREVIOUS LISTINGS!. Display the new listing info on one line and then the associated "relist" info on line 2. Then we can quickly see the previous amount of bids, views, previous high bidders info, email address etc. (Do not display this data for 3pS accounts)	Link
RG Admins	Become a Seller link on home page. Rename Domestic to "USA Only" and International as "All other Countries".	Link
RG Admins	Sold , unsold ,active Screen (Display how many buyers count were selected during creation and when click on that count will display , keep the limit to display 100) Do not display this data for 3pS accounts!	Link
